# Behavioral Contract

## Mission:

To grow in personal relationship with Jesus Christ by forming spiritual habits, connecting in Christian community, and serving others.

## Guidelines for Participating in Confirmation at Bethel:

**Show Respect** - for yourself, for other students, for adults and for property.

**Come Prepared** - Arrive on time for all events. Bring a Bible, a notebook, a pen and a positive attitude.

**Make your Best Effort** - Actively participate in all events.

## Consequences of not adhering to participation guidelines:

If you choose not to follow these guidelines, your guide (or any other supervising adult) will choose any of the following consequences for addressing behavioral problems that he or she feels necessary:

1. Give a verbal warning.
2. Remove you from the group to work independently with another adult.
3. Make a phone call to your parent(s).
4. Send a letter to your parent(s).
5. Set up a parent/teacher/student conference.
6. Remove you permanently from the program with the option of completing work at home under the supervision of your parent(s).

## Parents:

We will try to keep you informed in advance of confirmation dates and times. We appreciate your providing transportation to your child to ensure his or her participation. We ask that you know the confirmation schedule and be prompt in bringing your child to events and picking him or her up.

**We have read and discussed this behavioral contract and will work together toward having a positive confirmation experience.**
